How to Read Candlestick in DeltaRiver?

The DeltaRiver terminal chart based on Japanese Candlesticks and display Tick Volume box to the right of the candle.

Each tick volume box contains a volume.

The maximum number of tick volume from all other boxes in the candlestick is called the point of control of the current candle stick.

IBA Ishaq's Binary Academy

There are four types of candlesticks in DeltaRiver Terminal.
All these bars contain different positions of the point of control in the bar.
Each movement makes a difference in its strengths and weaknesses.
